EXTRA
GOSPEL EXPERIENCE

Team Building with Fresh Emilian Homemade Pasta and “Sfoglina” Teacher.

An authentic and immersive team building experience led by a real Emilian sfoglina (pasta maker). Participants discover the art of fresh egg pasta, an emblem of Emilian tradition: from tortellini to tagliatelle, each step - rolling out, cutting, filling - becomes a moment of sharing and collaboration.

Team Size: from 20 people and up

Duration: approximately 2 hours

Mode: Cooking Class / Competitive

All participants will be provided with an apron (also customizable) and tools to work on the pasta individually.

Team Building with Sensory Wine Tasting

An immersive team building activity that takes participants on a sensory journey through the world of wine. Guided by the sommelier, team members learn to recognize aromas, flavors and unique characteristics of different labels, exploring tasting techniques and pairings. This experience stimulates the senses and promotes sharing, curiosity and complicity among participants, strengthening team spirit in a relaxed and refined setting.

Team size: 20 people and up

Duration: about 2 h

Mode: Cooking Class / Competitive

Team Building Kitchen Experience

An immersive experience in which the team, led by a chef, recreates the dynamics of a real kitchen brigade. Each participant takes on a specific role to collaborate on the creation of a complete menu, improving communication, coordination and team spirit. The activity concludes with a tasting of the dishes prepared together.

Team size: 20 to 60 people

Duration: about 4 h

Mode: Cooking Class / Competitive

**All participants will be provided with apron
(also personalized)**

Team Building Chef's Table

In this team building activity, each chef presents their special dish to the participants, explaining techniques and secrets. The teams choose the dish they want to recreate and, guided by the advice received, prepare it with great commitment. At the end, the three chefs taste and evaluate the creations, offering feedback and declaring the winning team. An engaging experience that combines learning, creativity, and healthy competition!

Team Size: from 20 to 60 people

Duration: approximately 4 hours

Mode: Cooking Class / Competitive

All participants will have an apron available (also customizable)

Team Building Cake Design, challenge to the last cake.

A sweet and creative team-building activity where participants, divided into teams, compete in decorating spectacular cakes. With the help of expert pastry chefs, the teams work together to design, decorate, and personalize their creation, testing their creativity, coordination, and collaboration. In the end, the cakes are judged for aesthetics and originality, declaring the winning team. A tasty experience that brings the group together in a spirit of healthy competition and fun!

Team Size: from 20 to 60 people

Duration: about 4 hours

Mode: Cooking Class / Competitive

All participants will have an apron available (also customizable)

Team Building Gospel Experience, the spirit of the group.

A unique team-building activity in which participants immerse themselves in the energy and harmony of a gospel choir. Led by the voices of the **Faith Gospel Choir**, team members learn to sing together, finding their own rhythm and harmonizing their voices to create a powerful, collective sound. This experience celebrates the strength of the group, strengthens mutual trust, and fosters authentic connection through music and shared rhythm.

Team Size: from 30 people upwards

Duration: about 4 hours

A team of professionals at your company's disposal.

Organizing and managing a team building activity requires cross-disciplinary experiences and skills, which can only be developed when in constant contact with the business world.

Many locations available for every style and need.

We offer a selection of exclusive locations in the provinces of Bologna, Modena, Parma, Reggio Emilia and Mantua, ideal for any type of team building. Thanks to spaces of different sizes and budgets, we are able to meet every need, creating perfect environments for the success of the experience.
